

G

Somebody turn the lights on
Perfectly ten - ded buildings
Preacher is on the soap box

C

Somebody work the sound
The lawn is so manacured
He's comin' on real strong

G

We've got an open - ing act
We've got the new cen - tral air
His sermon came from the pens

to make the crowd real HAP - py
and sev - eral wo - men do hair
of twen - ty - sev - en good men

D

Till it's time to pass the hat around
So your com - fort has been assured
Who really groove on right and wrong

G

Per - fect - ly orch - es - tra - ted
And if we spend a million dollars
We got a tour goin' through his study

C

Every - one has his cue
We gonna build another wing
to see all the books he owns

G

The advertisin' is right
It's gonna look like a fort
Who needs original thought

for a Broad - way night
and sport a basket - ball court
when all this stuff can be bought?

Church In A Box by Kevin McCarthy

D

G

'cept the theater's filled with pews
and have concessionns and everything
He's got deplomas for what he knows

C

Church In A Box...

G

It's a new and worldly style

C

Church In A Box...

G

It's ministry gone wild

C

Church In a Box...

G

Just keepin' up with the times

C

Church In A Box...

G

It really seems this way sometimes
