

Lord of My Life

1993 - Kevin McCarthy

(VERSE 1)
(VERSE 2)

G **Em** **D**
Sometimes they love you, sometimes they don't
Sometimes I win, sometimes I lose

C **D** **G**
And sometimes you can't tell at all
Sometimes I don't try at all

G **Em** **D**
Today you're a hero, the next day a fool
Yoday you're on fire, the next day you're cold

C **D** **G**
I just can't keep up with it all (TO BRIDGE)
I know on my own I would fall (TO BRIDGE)

(BRIDGE)

G **Em** **D**
But it doesn't matter as long as I know

C **D** **G**
I'm doing what you want me to

G **Em** **D**
I don't have the power to do right at all

C **D** **G**
My confidence always is you

(CHORUS)

G **D**
You are the power

C
You are the glory

Em **D**
You are the reason that I'm alive

G
You are the King

D
I live for your kingdom

Em **D** **G**
Now and for always, Lord of my life
